Maintenance Service

Your vehicle has a scheduled maintenance service set by the manufacturer. It is important to follow each service interval for vehicle dependability and performance.

- **Our service advisors will print out the factory scheduled service interval procedure for your vehicle.**
- **Our experienced and trained technicians will follow the factory schedule inspection check list along with our customized 27 point safety inspection.**
- **We stock only approved premium synthetic blend motor oil and full synthetic oil that meet or exceed factory specification.**
- **Our service will maintain your new vehicle's factory warranty.**

Stop over paying at the dealer, have your vehicle serviced at Blu Automotive and experience the difference. We look forward to earning your business and trust.
